Chairman's Message

The New Year on which we have just embarked opens on a club scene which is very different from its predecessors. Quite dramatically the "face" of Tattersall's changed over the latter months of 1966 with the completion of the dining room/lounge renovations, the alterations and additions on the second floor and the completion of the private functions room on the lower ground floor. As a result we can look forward to a new era in which much of the improvement plan is behind us and vastly expanded amenities are available for our use and enjoyment.

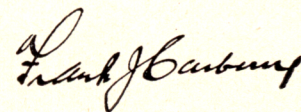

I feel we can all look back on the year just completed with some satisfaction for it is forty years since so much progress has been made in our club over such a short space of time. At this point last year our improvement plan had only just got under way and there was very little tangible evidence to mark its existence. Since then the progress made by all those connected with this project has been extensive and

from this point of view the year has been a most rewarding one.

In many other ways, too, it has been rewarding, particularly in the calibre of the new members we have taken in over the last twelve months and the way they have integrated into the club.

So in this happy atmosphere of club achievement and progress, I wish you all a Happy New Year on behalf of the Committee of Tattersall's and add to this my personal good wishes.

I hope the New Year brings you health and happiness and that our club is the venue for many a happy occasion amongst you and your friends during a peaceful and prosperous 1967.

club NEWS and views

BACK FROM THE ORIENT

You'd have a very "long day's march" ahead to try and find anyone more popular than long-time Tattersall's member and managing director of Gowing Brothers Ltd., Clive Spinks. That's why his cheery presence was sadly missed, not only in Tattersall's but in business and social circles around town, when he and Mrs. Spinks took time out to visit the Orient late last year. The Spinks' sailed on the Canberra and while away visited several centres in Japan, but made Tokyo their "head-quarters" for they had many friends in that city. Before returning home they stayed for a short while in Hong Kong, where they renewed their friendship with Mr. and Mrs. McColl. Mrs. McColl will be remembered by golfers as Marie Clemenger, the former top-line woman player. Clive and Mrs. Spinks returned home on the Canberra early last month and it was a great pleasure to see them back again. Unfortunately, they received news which marred the pleasure of their return somewhat. This was of the death of Jack Wilson, an old friend of theirs, with whom they had made the return sea voyage. This news would have been most distressing to many of our golfing members, for Jack would also be well-known to them as a recent past president of the A.G.U.

COMMITTEEMAN MARRIES

Congratulations are very much in order for our well-known committeeman Arthur McCamley, for on Boxing Day he was married. The ceremony was a rather unusual one, for it was carried out in Fiji and, though in the tradition of all married couples they kept the location of the honeymoon a secret, it can be safely assumed that in this case it was celebrated on the colourful island. To Arthur and his new wife, Edna, then we extend very best wishes for a long and happy married life together and will look forward to their return from the honeymoon so that we can deliver our felicitations in person.

CONDOLENCES TO DAVE FULLARTON

Well-known member Dave Fullarton has had more than his share of misfortune recently and this was climaxed last month with the sad death of his wife. Just prior to this Dave had lost his brother and was barely recovering from the blow when his wife passed on. Your very many friends in the club send you their sincere sympathy, Dave, on your recent bereavements. A similar message of sympathy is also extended to Dave's nephew, John Fullarton, on the passing of his father.

CO-INCIDENCE

The smorgasbord meals arranged in the clubroom during the renovations to the dining room recently, although intended as a makeshift, turned out to be a great success. Primarily responsible for this was Danny Dusek, only just previously appointed to the position of catering supervisor from second chef. The popularity amongst members of the smorgasbord reflects great credit on his ability and ingenuity. During the time these were on Danny was sent to Melbourne by the club to study the smorgasbord arrangements at the R.A.C.V. as these are considered to be the most outstanding in Australia. It turned out to be a rare co-incidence when Danny found the catering manager of this organisation to be an old friend of his, whom Danny didn't even know was in Australia. The last time they had met had been during the war when they were both in the Polish army together.

With so much in common in both their past and present, Danny says they had a lot to talk over. Be that as it may, the nett result was that we had smorgasbord which popular opinion rated a pretty close second to those of the R.A.C.V. Congratulations on your fine effort, Danny, from all those members who enjoyed your meals so much on the first floor.

YOU CAN'T KEEP A GOOD MAN DOWN

As the old saying goes, "You can't keep a good man down" and we're very happy to report that this applies to well-known club identity and popular swimming official, Sam Block. Unfortunately Sam was taken ill just prior to Christmas and had to miss most of the Yuletide activity on the third floor, of which has been so much a part over many years. Happily, however, the news on Sam just as this issue went to press was that he was recovering rapidly and was almost his old self again. Your host of friends in the club were sorry indeed to hear of your illness, Sam, particularly the boys on the third floor. It was most unfortunate that you had to miss out on so much of the Christmas fun, but we hope you'll be back again in the club very early in 1967 just to make sure that the New Year gets away to a good start.

"KINDRED CLUBS" BUFFET

It is customary for Tattersall's Club to entertain kindred organisations at a buffet each year. This year was no exception and such a function was held during December as a gesture of goodwill to those clubs with which, in one way and another, we have so much to do during the year. Represented at the buffet were the Australian Jockey Club, Sydney Turf Club, City Tattersall's, Newcastle Jockey Club, Newcastle Tattersall's, Hawkesbury Race Club, N.S.W. Trotting Club, Kembla Grange Race Club, Royal N.S.W. Bowling Association, Sydney Cricket Ground Trust, N.S.W. Cricket Association, N.S.W. Amateur Swimming Association, Union of Old Swimmers, Rugby Union of Australia and N.S.W., Rugby Football League of N.S.W., N.S.W. Leagues Club, N.S.W. Lawn Tennis Association, N.S.W. Golf Association, and the Registered Clubs' Association. Many notable guests were present and Tattersall's chairman welcomed them to the function warmly during his address. All the representatives present were most appreciative of this annual gesture by Tattersall's and congratulated the club on holding it.

Architectural Scholarship to Member

The Royal Australian Institute of Architects has awarded the \$2,000 Sisalkraft Research Scholarship in Architecture for 1966 to a Sydney architect, and Tattersall's member, Mr. Kevin Rice.

The scholarship which is the eleventh to be awarded by the R.A.I.A. since 1956, is sponsored by St. Regis-A.C.I. Pty. Ltd., which incorporates Australian Sisalkraft. Its purpose is to enable architects under 35 to study overseas a topic concerned with the practice of architecture.

Kevin, who is a partner of the firm of Oser, Fombertaux & Associates Pty. Ltd., will use the scholarship to study problems of communication in architecture; and will travel to Europe and America this year for this purpose. He will study developments in the field at the University of Liverpool, and at the Tavistock Institute in London, which was commissioned by the Royal Institute of British Architects to study communication in the building industry. He will then go to the United States to investigate allied research at Harvard.

His wife and three children will accompany Kevin on his trip and Mrs. Rice will visit her family for the first time in eight years. Of interest to racing readers is the fact that her father is A. E. (Alf) Turner, well-known English bookmaker, who has entertained many visiting Australian racing people in England.

Kevin spent four years in Europe after graduating with an honours first degree from the University of N.S.W. in 1954. During this period, he was associated with the design for the Hong Kong Airport terminal building, New Zealand House in the Haymarket, London, Oslo air terminal and new laboratories at Oxford University.

On returning to Australia, he spent 18 months with Civil and Civic on research into building techniques and modular co-ordination.

Recently he has been concerned primarily with the design for a new office building for the Teachers' Federation in Sussex Street, Sydney, a block of 216 flats and 28 units for the aged at Rosebery for the Housing Commission of N.S.W., both of which are approaching completion, and for the recently completed cosmetics factory for Helena Rubinstein.

The first aim of Mr. Rice's thesis will be the identification of the nature and patterns of communication between the architect and the client. This will be followed by a statement of applicable principles of communication theory and the proposal of some basic systems of communication in the client-architect situation.

This scholarship is a great honour for Kevin and his fellow members at Tattersall's congratulate him heartily on it. They also wish him every success with his thesis.

New Second Floor Praised by Members

The new second floor area was completed in mid-December and was highly praised by those who saw it. The area includes renovations to billiard room and the new buffet/bar and card room. Pictures of these appear below, together with a shot of the new private functions room (which will be known as the Sportsmen's Room) on the lower ground floor.

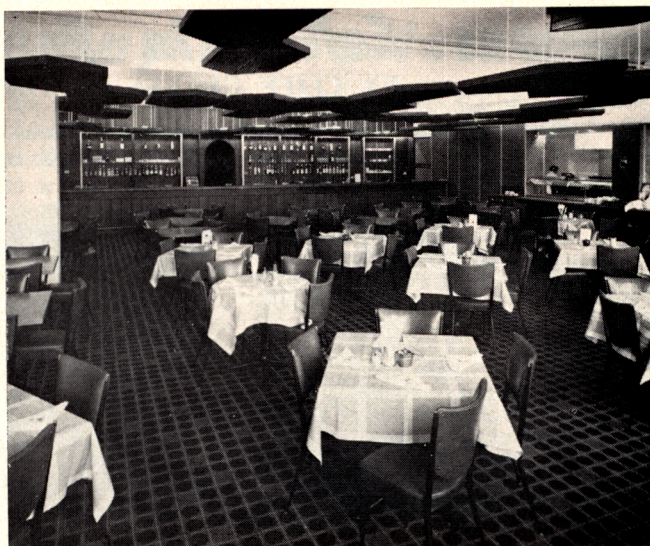

The new area is most impressive and will no doubt delight members of widely different tastes in the club.

For the card players the new room presents an entirely different aspect with plenty of floor space and an appropriate decor which has been executed in excellent taste.

Billiards and snooker players will also be pleased with the renovations which have been carried out and though the new room occupies the same position and area as it did before the general atmosphere has changed completely.

For members, generally, the most pleasing feature of the second will be the buffet-bar which is a dramatic improvement on our old one. Very tastefully designed and decorated with completely new furniture, it is now a room of which we can all be proud and to which we can take great pleasure in bringing our guests.

The Sportsmen's Room on the lower ground floor was also completed in December and provides an excellent masculine setting for any private function; be it luncheon, buffet dinner or cocktail party. This room will accommodate 80 to 100 for such functions and should be tremendously popular with members.

Famous Colors in Foresight's Carrington Win

BY CLIFF GRAVES OF THE DAILY TELEGRAPH

Although Foresight had won a maiden at Hawkesbury less than three months before, keen racing experts agreed when they saw him in a runaway success in the Carrington Stakes, chief sprint event at Tattersall's Randwick carnival on January 2, that here was a champion in the making.

He carried the colors made famous by an earlier champion, Columnist, 20 years ago who, in the green and white hoops red cap livery of Messrs. F. J. Smith and Frank Packer, was the crack stayer of his year.

Since then Frank Packer has been knighted and he shared the ownership in Foresight with Mr. L. Keith Martin. Sir Frank Packer is Managing Director of Consolidated Press which publishes "The Daily Telegraph" and allied papers and Mr. Keith Martin a high executive.

The field numbered only five for this year's Carrington Stakes and what was lacking in numbers was more than balanced in quality. It represented the best class of Sydney's top sprinters, including last year's winner, Farnworth, which made the performance of Foresight the more striking in leading such a crack field practically all the way.

Before his Carrington triumph Foresight had won only four races including a Hawkesbury Maiden and a Newcastle Intermediate of very low calibre, but with successive wins at Randwick immediately prior to the Carrington he had put the writing on the wall that he represented class. At his last start he had won a Highweight by three lengths, running the six furlongs in 1.10½, figures which were really phenomenal for welter conditions.

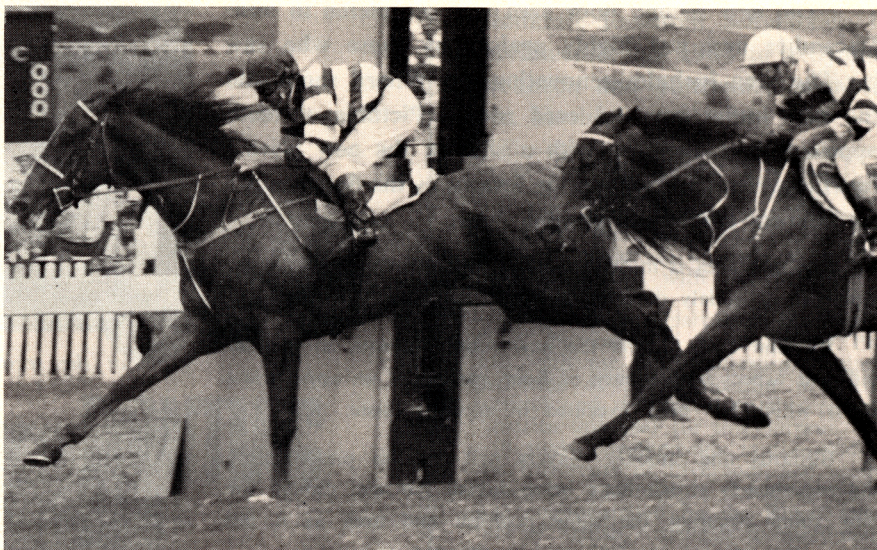

Foresight was so eager in the Carrington that he was clear in two strides, set up a lead of two lengths to the turn which he then increased to 2½. Medieval Maestro began to reduce the gap and raised a few hopes, but Foresight maintained speed and won by three quarters of a length. The nearest of the others, Count Radiant, third, was three lengths away, and Farnworth, last year's winner, was a distant fourth.

Foresight's time was 1.10.3 against a strong finishing head wind, favorable time compared with Farnworth's 1.10 last year.

Messrs. Fred Smith and (then) Frank Packer bred Columnist at Aluinn Stud, Roxburgh and raced him in partnership. Mr. Fred Smith was a leading city accountant and Auditor of the Commonwealth Bank. Columnist was by the French-bred stallion, Genetout, who had a phenomenal list of winners at stud.

Columnist won 17 races and had 20½ seconds and seven thirds worth \$60,611 in stakes. He was a mighty stayer in the Spring of 1947 with success in the Caulfield Cup with 9.0 and the Williamstown Cup with 9.7. He also won an S.T.C. Cup at Rosehill later with 9.7 and he was second with 9.8, beaten only a short half head by Dark Marne in the 1948 Sydney Cup.

This he would have won beyond doubt if Victorian jockey Harold Badger hadn't lost his whip when he was starting to wind Columnist up a furlong from home.

Foresight (R. Quinton) had a little in reserve in beating Medieval Maestro in Tattersall's big sprint, the Carrington Stakes, at Randwick on January 2.

Columnist gave his owners a lot of pleasure in winning seven weight-for-age races against the champions of the day on the principal courses. Flemington, Caulfield, Randwick and Rosehill.

Impressive as it was, Columnist's race record would have been even more imposing if he could have turned close seconds to Royal Gem in the 1946 Caulfield Cup and to Dark Marne after loss of his whip in the 1948 Sydney Cup.

Foresight can hardly be mentioned yet as a champion successor to Columnist, but he is beyond doubt a sprinter far above average. He has been successful up to seven furlongs to date, so there is every prospect of his proving at least a miler in the future with perhaps favourable prospects in the next Doncaster at Randwick in the Autumn.

He is well bred, by Wilkes from Ptolemy, a sister to Pride of Egypt, who won a Victoria Derby and two Legers and his pedigree embraces both sprint and staying credentials. He cost 8,500 gns. as a yearling. His owners had a long wait for returns because he had only two late two-year-old race starts. But patience has paid dividends and at three years he faces a bright future.

Sir Frank Packer became a member of Tattersall's Club in 1928.

Arthur Ward, ex crack jockey, joined the club soon after retirement from the saddle to become a number one A.J.C. trainer with a licence at Randwick.

He has already taken his place among the more prominent of his vocation with numerous wins, including an Epsom with Even Better.

DAY OUT FOR CHAIRMEN

It was highly appropriate that our Tattersall's Club meeting on Monday, January 2, should have become "Chairman's Day".

Mr. Brian Crowley, Chairman of the Control Body, the Australian Jockey Club, won the Welter with Brigade and Mr. Bill Longworth, Chairman of the Sydney Turf Club, the last race, the New Year's Gift, with Not Responsible.

Both were popular favourites with the public.

Form differed in punter's summing up of their prospects.

Brigade had come back from a long spell to change to Tom J. Smith's stable and had won his first race in the new quarters. He was the form horse for his race and ran right up to standard with a 3½ lengths victory in the Welter.

On the contrary, Not Responsible had run only 11th when favourite for the Randwick Novice on Saturday, Dec. 31.

Stewards, however, spotted a case of serious interference to the horse in running, and their report acted as a genuine tip to punters.

They made him favourite again at 7/4 and this time D. Lake steered him clear of Saturday's trouble and he won running away.

Mr. Longworth rates among the oldest active members of Tattersall's Club. He nominated in 1914.

Mr. Crowley became a member of the Club in 1921.

George Moore's Great Day at Tattersall's

Probably when jockey George Moore retires from the saddle to become an affluent breeder of blood stock he will join Tattersall's Club and recall what he did at the club's meeting at Randwick on January 2, 1967, with four wins and three seconds, including success in Tattersall's Cup.

Other famous jockeys Darby Munro and Maurice McCarten and Ted Bartle set the example for club membership.

George Moore won the cup on second favourite Conclave (5/2) the Gladstone Handicap for mares on Lady Emperor at 9/2, the Club Welter for A.J.C. Chairman, Mr. Brian Crowley, on Brigade at even money, and the Maiden on All Courage, favourite at 5/4.

His seconds were on Jupiter in the Club Two-year-old, behind Coronation Cadet, on Medieval Maestro in the Carlington Stakes behind Foresight, and Pacific Peace behind Not Responsible in the New Year's Gift.

The Cup gave a very popular club member and part-owner, Mr. Pat Porter, a success which was highly acceptable to the betting public and perhaps even more so to Tattersall's club members, Mr. and Mrs. Porter race Conclave.

Literally Pat "tells the world" when he has a fancied horse which he thinks can win. And because he is a wise judge of form his tips about his own horses are accepted at a high face value. So although Conclave (5/2) was superceded as favourite by Kaiwaka (2/1) a boom horse from the country, this writer is prepared to bet that more money was won over Conclave than Kaiwaka would have yielded.

A four-year-old, Conclave has won six races, but he was out in a three-year-old season when rivals were more matured. However, his stamina improves and Tattersall's Cup is his best victory to date. It followed a third in better company to Royal Display and Gin and Bitters in the Summer Cup a week before. With these out of the way and George Moore in the saddle the prospects looked good in Tattersall's Cup and Conclave proved that he is an honest and consistent stayer who ran right up to his highest form standard.

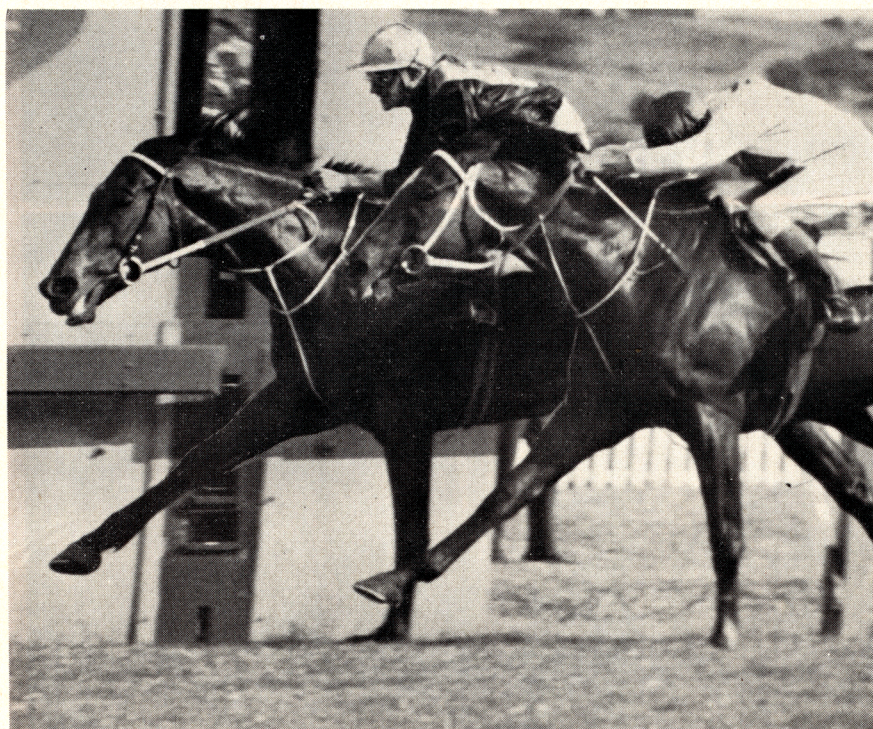

Knowing that Conclave has a short run, Moore nursed him patiently behind the leading division, Sky Drift, Earl's Double and Ancestor. He had him ready to make a sudden dash just before that formidable rise in the straight, which gave him an advantage over his pursuer, Kaiwaka. Just once in the straight Kaiwaka raised faint hopes in the last furlong, but Conclave was going away at the finish to win the Cup by two lengths.

Kaiwaka hung on for second, and Strauss continued to play the minor chord he has observed in Xmas racing—two seconds and a third.

Mr. Porter and his trainer, Tom J. Smith, are both well-established Tattersall's Club members.

George Moore steers Conclave to an easy victory in Tattersall's Cup at Randwick on January 2. It was a popular victory for Mr. and Mrs. H. F. Porter.

Not Responsible, ridden by D. Lake, lands the New Year's Gift at Tattersall's Randwick meeting for Sydney Turf Club chairman, Mr. Bill Longworth.

How we Sp

The Christmas period at Tattersall's is always looked forward to. Members support all our efforts and those visitors who have been so appreciative of invitations.

This year was no different except for the fact that they were all enjoying the comments heard and enjoyed. Our pre-Christmas activities were a proverbial magnet and many a Tattersall's member contended with for the Yuletide dinner.

Amongst our other functions there was a "sell out" and the ladies were getting together with their menfolk.

On these pages we show some of the festivities.

New Member Wins Point Score

Recent addition to the swimming ranks, Bob Cleaver, won the November Point Score and hearty congratulations go to him on his fine effort. Following Bob's win, December proved to be an eventful month for us as usual with a large and enthusiastic "field" for the traditional Christmas Scramble.

New member Bob Cleaver won the November Point Score in the Pool in one of the most exciting tussles for years when he dead heated with Charles Warne in the last final of the series and gained the points necessary for victory.

John Keating, who finished second in a final, and Gordon Williams were only half a point behind Cleaver followed by Norm Rogers one and a half astern, whilst Charles Warne, David Cohen and Frank Falson tied for fifth place.

In the December-January series, David Bruce is well ahead with $21\frac{1}{2}$ points from Norm Rogers' $17\frac{1}{2}$ and John Talty 17. The last race of this series is set down for 10th January and, despite the fact that he has lost a second from his handicap, David looks an odds-on winner after two wins in finals and one in a heat.

In the 40 yards Brace Relay Handicap, David drew David Emanuel as a partner and after Bruce's lap Emanuel was such a certainty to win that he could afford to salute the crowd before he dived in.

In another final of the same race Philip Winn, who is going particularly well and has improved his time a couple of seconds recently, had an equally easy win with Chris Dobbins as partner.

The "Native Son" 1966/1967 Point Score is in an interesting position with Gordon Williams leading with $54\frac{1}{2}$ points, followed by John Keating, $53\frac{1}{2}$; Norm Rogers, $51\frac{1}{2}$; and David Cohen, an earlier leader who has been out of action with water polo injuries, next with $50\frac{1}{2}$.

Starters in the weekly handicap races have kept on a high level and the month's tally showed an average of fifty-two.

Congratulations to Jack Wainwright on the recent record breaking efforts of daughter Kathy.

New swimmers to join up are given a big welcome. They are Berry Innes, M. Primrose, D. Hann, John Gleeson, John Barker and R. Spanswick.

It was also good to see in action again Carl Phillips, John Utz, Bruce Chiene, Clive Garland, Bill Watt, Vic Zappia, Rollo Moore and Mark Dowling. We hope to see them in action more often in the coming months.

Best winning times of the month were 18.4 John Devitt, 20.4 and 20.6 Norm Rogers, 20.5 (twice) Phil Winn, 20.8 John Keating, and 21.1 Ian Cameron.

The boys have been improving a lot in the last four races and the list to have their handicaps pruned included Frank Falson, John Keating, Charles Warne, Bob Cleaver, Phil Winn, David Bruce, Pat Hopkins, Jack Levy, John Talty, Charles Coppa, Roger Lind (2 seconds) and Neville Amy.

Sorry to have to report that our efficient, hard-working official Sam Block has been on the sick list, but it's good to learn that he's on the up and up again.

The boys were quite unhappy to see Sam looking very seedy on the Tuesday before Christmas and he wisely went home before the 40 yards Brace Relay Handicap started. Sam was particularly upset as he had put in a huge amount of solid work in preparation for the Christmas Scramble on the following Thursday.

However, willing workers like Max Sernack, Norm Rogers and Jim Comans filled the breach and helped out the regular officials whilst Clive Hoole also put in an appearance from Surfer's Paradise. Thanks, boys!

The scramble drew a big crowd of starters, four teams of twenty-one each and the Consolation Handicap of six times across the pool had twenty-two starters.

The big event was an exciting one with Norm Rogers' team just landing victory from David Emanuel's team, followed by John Devitt's and John Keating's teams.

John Ward beat Roger Lind and Gordon McGrath in the Consolation.

All starters received prizes of Christmas cheer and our good friend Fred Daly, M.P., wished everybody a happy festive season, to which Arthur McCamley added a few bright words and Jack Dexter responded on behalf of the officials.

It was a good show and we are sure that all our new members and those whom we had not seen for some time enjoyed the lunch hour fun.

By the time this appears in print our splendid official, Arthur McCamley, will have been married. The ceremony was set down for Boxing Day in Fiji and to him and to his bride, Edna, we give congratulations and best wishes for future happiness on behalf of all the members and officials of the Swimming Club as well as all the habitués of the Third Floor.

Now YOUR car . . .

can be air-conditioned!

JOIN THE SHEIKS, RAJAHS AND PRESIDENTS . . . Technical advances in recent years have at last brought the luxurious comfort of air-conditioned driving within the price reach of many Australians.

Now you can drive cool, clean—arrive cool, clean and refreshed, with a clear mind ready for business action. Even on the hottest, muggiest days, your SMITHS Refrigerated Air-Conditioner will provide the exact coolness you require.

The comfort of an air-conditioner in your car has to be experienced to be believed. We would like to demonstrate this for you. Just phone "The Air-Conditioning Service Manager". He'll

arrange for a car to call on you at your home or office at a convenient time. May we suggest you pick a very warm moment—a drive around the block with a Smiths Refrigerated Air-Conditioner will "pick-you-up" for the rest of the day!

New Year Greetings from Handballers

To Tattersall's Club Chairman and his committee, to the Club Secretary and his staff and to all members we extend best wishes to you and your families for a happy New Year.

"THE WINOOKA TROPHY"

The first round of this event was completed early in December. Our

secretary, Norman Rogers, has completed the draw for the second round to commence this month: and here it is:

- (1) Ken Glass (+12) v. Robert Lipman (+10)—winner to play Bruce Galea (—20)
- (2) Bruce Partridge (—6) v. Peter Maclean (+11) — winner to play the winner of No. 1 v. Bruce Galea
- (3) The winner No. 2 v. John Brice (+17)
- (4) Trevor Barrell (+25) v. John Thorpe (+22)
- (5) Charles Robinson (+17) v. Terry Forrest (+32)
- (6) Ian Rolle (+20) v. The winner of Don Start (+18 v. P. Barnes (+27)
- (7) Ron Spencer (+22) v. Tom Kennedy (+25)
- (8) Bruce Chiene (+25) v. Brian Mortensen (+25)
- (9) Charles Coppa (+32) v. Robert Hill (+32)
- (10) Arthur O'Connor (+18) v. Gus Bartlett (+1)
- (11) G. Lawson (+25) v. C. Pearce (+32)

There it is, chaps, and we suggest that you make a New Year's Resolution to play your matches early and to annihilate your opponent forthwith. Charlie Robinson could not wait for the New Year to come in his match

against Terry Forrest and he was in devastating form to run out an easy winner by 41 to 24. This match commenced with Charlie on scratch and Terry on +15.

IMPORTANT ANNOUNCEMENT

Now that the club development plan has reached the stage where facilities have become available for functions to be held within the club's premises, our secretary, Norm Rogers, advises all members that he will be arranging a function for the presentation of last year's trophies to the various winners. He will give you adequate notice of this event and we look forward to having a very nice "get together".

CONGRATULATIONS

To the chairman and his committee, the secretary and his staff for the wonderful improvements to the clubs' bedrooms, dining room and second floor improvements. It is "LUVERLY" and greatly appreciated. Thank you, gentlemen.

"WHEN SHOULD I REVISE MY WILL?"

The answers to this and many other important questions about wills and executorship are given in layman's language by Perpetual's new 16-page booklet "Your Will, Your Executor".

You may have this booklet, freely and without obligation, by writing or 'phoning your local Perpetual office.

Good Year for Bowlers

An excellent year for the Bowling Section of Tattersall's came to an end in December with all members unanimous that it has been one of our best yet.

Bowling finished for the year at Waverley on the 15th December. All the winners of their games received a Christmas gift to celebrate the occasion. Turkeys, chickens, boxes of fruit and all Christmas fare made the day a really seasonable occasion.

Bowling will resume in the new year on 12th January.

The Annual Dinner Dance will be held on Monday, 6th March, in the dining room of the club on the fourth floor. As a limited number only can be catered for, members are advised to book their tables early as it is first come first served.

The draw is out for the singles championship and the handicap pairs. This event will commence early in the new year. Players will be notified as to the venue and the time of play.

After a long illness Dr. Cecil Adair passed away in December. Although his health prevented him from playing with us in recent months he will be remembered by all of the bowling section as a fine bowler and a very nice fellow. To his family, all members of Tattersall's extend their deepest sympathy.

New Year thoughts by Col. Rose.

"THINGS COULD BE WORSE!"

*How often you've discovered that a chap
you don't know well
Is quite a different sort of bloke, and
sometimes even "swell":*

*A guy you couldn't tolerate—before
you'd had that game—
Turns out to be quite friendly—and
you'd hardly known his name!*

*This game's a great enlightener about
this thing called Life,
And when you're on the green, it seems,
it obviates all strife.
That yesterday must be forgot, tomorrow
may not be:
TODAY'S the day to do your best for
EVERYONE you see.*

*We can't recall a sharp remark, we
CAN produce a grin . . .
We can be bright and cheerful, if we
haven't got a "spin";
So there's a chance most every day to
play with skill and fun
And when you hit the haystack, just
say "thanks" for what you've done.*

*The greatest thing, apart from health,
is friendship strong and true,
For others only judge you by the bad
or good you do.
And when you're feeling out of sorts,
and winge, and moan, and curse . . .
Just have a little roll-up—and BELIEVE
"things COULD BE worse!"*

BILLIARDS PLAYERS READY FOR NEW YEAR

With the completion of the renovations to the billiard room on the second floor all billiards and snooker players are ready and waiting for the New Year.

Naturally enough the members of Tattersall's billiards and snooker club were delighted when the billiard room and buffet bar became operative again on the fifteenth of December after its period of shut down. Very favourable comments were expressed by most members on the new set-up and we can now look forward to settling "into stride" again after our recent "check".

A new innovation decided upon by the general committee will be a meter system which will be installed in the billiard room. A charge of twenty cents will be made and this will entitle players to half an hour's use of the table.

It is expected that we will resume the billiards and snooker competition early in February. Now that our new "premises" are completed there is nothing to stop resumption right away. However, January is a popular holiday month and it was thought that with so many members out of town it would be most difficult to arrange matches. But things should be back to normal again by February and we'll be ready to go with a vengeance. Players will be given ample warning regarding the time of starting and advised of other relevant details.

The championship table is to be erected in the club room on the first floor as it has been in other years and the remaining games in all events will be played there.

At this time, the committee of the billiards and snooker section would like to extend sincere wishes for a happy New Year to all members and friends of Tattersall's. They would also like to thank those who have assisted the section in many ways over the year and say how much the help received has been appreciated.
